# WILSON & SONS NURSERY COMPANY

W. F. Wilson, Mgr.

WINNSBORO, TEXAS

Dear Customer:-

Now is the time to get those Rosebushes lined up for Fall planting.

Nobody can appreciate your consideration any more than this bunch of Wilson's. Here your orders receive the personal attention that is so necessary for your satisfaction.

Wilson & Sons Nurseries are owned and operated by W. F. Wilson (Manager) and his five sons. That's why you are able to get such low prices on high quality nursery stock.

Commercial cut Rose Growers, Rose Society Members and Home owners everywhere are changing to Wilsons. Wherever there is a demand for the best Rosebushes at reasonable prices, we furnish them.

Plant this Fall, for earlier flowers and better growth next Spring. Fall planted nursery stock establishes a good root system before hard Winter, then it is ready to start right out growing and blooming far ahead of Spring planted stock.

We are grateful for the avalanche of orders we have received from our old customers in the last six weeks. This is the best proof we know of that our Rosebushes are giving the kind of results Rose lovers demand.

Prices quoted here are for acceptance before Nov. 15th.

Assuring you fine Rosebushes and our most careful attention to your order and instructions, we remain,

Yours very truly,

Wilson & Sons Nursery Co.
